The Emperor Jahangir
Power and Kingship in Mughal India

Lisa Balabanlilar

"This is a new and welcome study of the Mughal emperor Jahangir who until recently stood in the shadow of the more famous Mughal dynasts Babur, Akbar and Aurangzeb … It is the special merit of the fluently written book to draw attention to Jahangir as the first Mughal emperor being born in India with which he acquainted himself through continuous journeys."

Professor Ebba Koch, University of Vienna, Austria

"In this evocative book, Balabanlilar provides us with a richly textured account of the life of the fourth Mughal emperor, Jahangir, as revealed in contemporary sources from his own time in the late sixteenth and early seventeenth centuries — including his own royal memoir, the Jahangirnama. The author narrates with deep empathy the life and preoccupations of an early modern Mughal Emperor."

Ramya Sreenivasan, University of Pennsylvania, USA

Jahangir was the fourth of the six “Great Mughals,” the oldest son of Akbar the Great, who extended the Mughal Empire across the Indian Subcontinent, and the father of Shah Jahan, builder of the Taj Mahal. Although an alcoholic and opium addict, his reputation marred by rebellion against his father, once enthroned the Emperor Jahangir proved to be an adept politician. He was also a thoughtful and reflective memoirist and a generous patron of the arts, responsible for an innovative golden age in Mughal painting.

Through a close study of the seventeenth century Mughal court chronicles, The Emperor Jahangir sheds new light on this remarkable historical figure, exploring Jahangir’s struggle for power and defense of kingship, his addictions and insecurities, his relationship with his favourite wife, the Empress Nur Jahan, and with his sons, whose own failed rebellions bookended his reign.

Lisa Balabanlilar is Associate Professor of History and Director of Undergraduate Studies at Rice University, Texas, USA.
